STATEMENT OF INTENT

MEPA Training recognises that certain groups in society have historically been disadvantaged because of unlawful discrimination they have faced due to their race, sex, disability, gender reassignment, marriage/civil partnership, religion/belief, sexual orientation or age. This policy will put in place a range of actions to eliminate prejudice, unlawful discrimination and victimisation within the school community and workforce.

LEGAL FRAMEWORK

1.1 This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Human Rights Act 1998;
- Special Educational Needs and Disability Regulations 2014;
- Education and Inspections Act 2006;
- Equality Act 2010;
- Equality Act 2010 (Specific Duties) Regulations 2011;
- Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017;
- Public Sector Equality Duty (PSED);
- UK General Data Protection Regulation (GDPR) and Data protection act 2018

1.2 This policy also has due regard for non-statutory guidance, including the following:

- DfE (2014) 'The Equality Act 2010 and schools'

1.3 This policy operates in conjunction with the following school policies:

- Admissions Policy;
- Complaints Procedures Policy;
- Equal Opportunities Policy.

1.4 The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination;
- Advance equality of opportunity;
- Foster good relations.

1.5 For the purpose of this policy, the Equality Act 2010 will be referred to as 'the Act'.

1.6 MEPA Training fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities.

1.7 Protected characteristics, under the Act, are as follows:

- Age;
- Disability;
- Race, colour, nationality or ethnicity;

- Sex;
- Gender reassignment;
- Maternity and pregnancy;
- Religion and belief;
- Sexual orientation;
- Marriage and civil partnership.

1.8 The Act makes it unlawful for the responsible body of MEPA Training to discriminate against, harass or victimise a student or potential student:

- In relation to admissions;
- In the way it provides education for learners
- In the way it provides learners access to any benefit, facility or service.

1.9 MEPA Training's liability not to discriminate, harass or victimise does not end when a pupil has left the school, but will apply to subsequent actions connected to the previous relationship between school and learners such as the provision of references on former learners or access to 'old learners' communications and activities.

1.10 MEPA Training will promote equality of opportunity for all staff and job applicants and will work in line with the Equal Opportunities and Dignity at Work Policy.

PRINCIPLES AND AIMS

2.1 We see all learners and potential learners, and their parents, as of equal value, regardless of any protected characteristic.

2.2 Our policies, procedures and activities will not discriminate but must nevertheless take account of differences in life-experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

2.3 MEPA Training will promote race equality and have due regard to eliminating unlawful racial discrimination, promoting equality of opportunity and good relations between people of different racial groups.

2.7 MEPA Training will respect the confidentiality of those seeking gender reassignment and will provide a supportive environment within the community.

2.8 MEPA Training is opposed to all forms of prejudice and recognises that children and young people who experience any form of prejudice-related discrimination may fare less well in the education system

2.9 MEPA Training will ensure that all staff comply with the appropriate equality legislation and regulations.

- Reduce and remove inequalities and barriers that already exist;
- Engage with a range of groups and individuals to ensure that those who are affected by a policy, procedure or activity are consulted and involved in the design of new policies, and in the review of existing ones;
- Ensure that policies, procedures and activities benefit society, both locally and nationally, by fostering greater social cohesion, and greater participation in the public life of everyone, regardless of any protected characteristic;
- Ensure staff promote an inclusive and collaborative ethos in the school, challenging inappropriate language and behaviour, responding appropriately to incidents of discrimination and harassment, and showing appropriate support for students with additional needs, maintaining a good level of awareness of issues surrounding equality.
